## THE FRENCH ARMED FORCES KNOW-HOW FOR YOUR TEAMS DEDICATED TO **MINE WARFARE**

Reference operator of the French Ministry of Defence,  
DCI offers tailor-made solutions, in France or  
in your country, to support the reinforcement of your capabilities  
in the field of mine warfare and associated operational missions.

## From initial training to **complex missions**

DCI supports you in the human capacity building of your Navy and Coast Guards teams dedicated to mine warfare by offering tailor-made training and professional paths developed to meet your needs:

### Mine warfare

- ◆ Minelaying
- ◆ Mine countermeasures: mine sweeping and hunting
- ◆ Mines types
- ◆ Preventive protection countermeasures

### Operations

- ◆ Detection, classification and identification
- ◆ Countermining and neutralisation
- ◆ Drones use
- ◆ Towed sonar use
- ◆ Intervention in harbour zone
- ◆ Intervention in very shallow waters

### Intervention safety

- ◆ Countermining operational director
- ◆ Diving director
- ◆ Diving physician, hyperbaric nurse
- ◆ Operator, maintenance of hyperbaric chamber

DCI also delivers diving training within its International Training Centre - Military Diving (ITC-MD)

- ◆ Clearance diver
- ◆ Intervention on Improvised Explosive Device
- ◆ Safety visit against suspicious object
- ◆ Use of sonar for diver

## Capability acquisition within a **global offer**

DCI supports you at each step of your training needs analysis, in the selection and acquisition of your equipment and in the training of your teams dedicated to mine warfare.

Based on its experience and on the French Armed Forces know-how, DCI also advises you in your civil and military doctrines, the audits of your concepts and organisation and their implementation.

## Why DCI?

DCI IS INVOLVED IN ALL THE FOLLOWING AREAS  
LAND - SEA - AIR - ARMAMENT - GENDARMERIE

- ◆ EXPERTS FROM THE FRENCH ARMED FORCES
- ◆ EXPERTISE IN TRAINING NEEDS ANALYSIS
- ◆ TRAINING AND ASSISTANCE DELIVERED IN ENGLISH, FRENCH OR THROUGH AN INTERPRETER
- ◆ PERSONALISED SUPPORT
- ◆ CUSTOMISED SERVICES TO MEET YOUR NEEDS
- ◆ IN FRANCE OR IN YOUR COUNTRY
